Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Sunday 03 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Clear spells and isolated showers.

This Evening and Tonight:
Scattered showers at first this evening will fade for a time with most places becoming dry with clearing skies. However isolated showers will return from the west after midnight, with the odd heavy one in places by morning. Minimum temperature 7 deg C (45 deg F).

Monday:
Sunny spells and isolated showers at first on Monday morning. The showers will become more frequent through the day, with the odd heavy and perhaps thundery shower possible in places. Maximum temperature 16 deg C (61 deg F).

Outlook for Tuesday to Thursday:
Wet and windy weather is likely on Tuesday before turning largely dry and bright on Wednesday. Some sunshine on Thursday following the clearance of any overnight mist and fog.
